Access For Dummies 2013

Formatting data based on certain criteria is known as conditional formatting. A report in Access 2013 can display data, but sometimes you may want help in identifying certain types of data. While you can manually examine a report and highlight information yourself, it's faster and more accurate to let Access do it instead. To use [...]

You don't have to be diagnosed with celiac disease or a gluten sensitivity to reap the benefits of a gluten-free diet. In fact, everyone should try it. The benefits really are that good. Photo Credit: smith_cl9 via Compfight cc The top recommendation I received from my Naturopathic Doctor was to experiment with a gluten-free diet to decrease my intense seasonal allergies.
