The Sun Valley Watershed is located in the San Fernando Valley, approximately 14 miles northwest of downtown Los Angeles. It encompasses the communities of Sun Valley and North Hollywood in the City of Los Angeles. The Sun Valley Watershed contains an area of approximately 2,800 acres (4.4 square miles) and spans roughly 6 miles in length from north to south.

Sun Valley Watershed

In mathematics, a square number or perfect square is an integer that is the square of an integer; in other words, it is the product of some integer with itself. For example, 9 is a square number, since it can be written as 3×3 . The usual notation for the square of a number n is not the product $n \times n$, but the equivalent exponentiation n^2 , usually pronounced as "n squared".

As our nation slides back toward paganism, God's people need to understand the increasing influence, trickery, and cruelty of the evil one - while always thanking and following our God, whose power is far greater. Therefore, I plead with all of you to exercise great caution when confronted with any sign of Satan's work. Please read the section on God's armor, and remember that we leave ...
