Business Ethics Ferrell

Business ethics (also known as corporate ethics) is a form of applied ethics or professional ethics, that examines ethical principles and moral or ethical problems that can arise in a business environment. It applies to all aspects of business conduct and is relevant to the conduct of individuals and entire organizations. These ethics originate from individuals, organizational statements or ...

Business ethics - Wikipedia

Social Responsibility and its links with Business Ethics: Social Responsibility is the obligation a business assumes to have for society. To be socially responsible is to maximise positive effects and minimise negative effects on society.

Essay on Business Ethics and Social Responsibility

Webster's Collegiate Dictionary defines "ethics" as the "discipline dealing with what is good and bad and with moral duty and obligation," "a set of moral principles or value" or "a theory or system of moral values." Ethics assists individuals in deciding when an act is moral or immoral, right or wrong. Ethics can be grounded in natural law, religious tenets, parental and family influence ...
