A Christian Science practitioner is an individual who prays for others according to the teachings of Christian Science. Treatment is non-medical, rather it is based on the Bible and the Christian Science textbook, Science and Health with Key to the Scriptures (1875) by Mary Baker Eddy

(1821–1910), who said she discovered Christian Science in 1866 and founded the Christian Science church in 1879.

Christian Science practitioner - Wikipedia

Wilson writes that Christian Science healing is "not curative ... on its own premises, but rather preventative of ill health, accident and misfortune, since it claims to lead to a state of consciousness where these things do not exist. What heals is the realization that there is nothing really to heal."

Christian Science - Wikipedia

A sermon on "Jesus, the Teacher and Healer," recently published, contained many points of excellence, especially the contention that man's reasoning did not take the place of inspiration and revelation of God. When the reverend writer claims that Jesus more than once expresse...
