The Bloody Chamber (or The Bloody Chamber and Other Stories) is a collection of short fiction by English writer Angela Carter. It was first published in the United Kingdom in 1979 by Gollancz and won the Cheltenham Festival Literary Prize. The stories share a theme of being closely based upon fairytales or folk tales. However, Carter has stated:

Books, Bites & Babes: Montreal. It was an intense month: right after returning from Reyjavick, I had my friends waiting for me, so we spent some crazy two weeks in NYC, before I got my new and beautiful AWAY suitcase. For a long time I was looking for a perfect size, not too big, not too small, suitcase for all my travels, and before jumping on my next adventure, I finally got it.

We've just come through our birthday season, celebrating both Clara and Mateo with two different events and enough cake from both parties to feed a small army. Honestly, with the size of our extended family, there's no such thing as too much cake. I wasn't planning to share this recipe here, because, well, it's full of sugar and you, dear reader, tend to enjoy naturally sweetened ...

If we have two things in our refrigerator – homemade sausage and eggs – we know it's going to be good day. With those two ingredients we can whip up a scramble, an omelet, sausage patties with fried eggs or if we have just a little bit more time, a baked egg and sausage dish that can be eaten at the table or on the go.
