Here are 3 ways we can powerfully convey the importance of client responsibility in therapy: 1. Say it straight. No need to be vague here. It's absolutely fine to say something straightforward like:

3 Ways to Communicate Client Responsibility in Therapy

Naturopathy or naturopathic medicine is a form of alternative medicine that employs an array of pseudoscientific practices branded as "natural", "non-invasive", and as promoting "self-healing". The ideology and methods of naturopathy are based on vitalism and folk medicine, rather than evidence-based medicine. Naturopathic practitioners generally recommend against following modern medical ...

Naturopathy - Wikipedia

Acupuncture is a form of alternative medicine and a key component of traditional Chinese medicine (TCM) in which thin needles are inserted into the body. Acupuncture is a pseudoscience because the theories and practices of TCM are not based on scientific knowledge. There is a range of acupuncture variants originating in different philosophies, and techniques vary depending on the country in ...

Acupuncture - Wikipedia

Case Presentation. A 29 year-old woman had been well until 7 months previously when, after a viral syndrome, she developed palpitations, fatigue, and frequent episodes of light headedness and near syncope.

No | British Journal of Medical Practitioners

Conspiracies, Hoaxes and Denials: It's just what they want you to believe! General distrust of authority and established facts; a desire to have someone or something in control; or feeling in control and superior by imagining that you're in the know, when really you have fallen for anomaly hunting, confirmation bias and logical fallacies.
