### **Fathers And Sons Oxford World**

The Church Fathers, Early Church Fathers, Christian Fathers, or Fathers of the Church were ancient and influential Christian theologians and writers. There is no definitive list. The era of these scholars who set the theological and scholarly foundations of Christianity largely ended by AD 700 (John of Damascus died in 749 AD, Byzantine Iconoclasm began in 726 AD).

There are other father-son pairs whom the reader meets in both of the epics, and again, similar themes are noted. The reader is able to gain greater insight into the nature of ancient Greek society by analyzing these father-son relationships for their complexities, digging beneath the superficial qualities and circumstances of their familial ties.

### **Father and Son Relationships in The Odyssey by Homer**

'Overall mortality among the fathers was higher than that in the mothers partly because the mean age of the fathers was higher.' 'If it could be proved that such centres would reduce the cancer mortality rate, few could argue against their introduction.'

The Middle Ages form the middle period in a traditional division of European history into three "epochs": the classical civilization of antiquity, the Middle Ages, and the modern era. The period of the Middle Ages is usually dated from the fall of the Western Roman Empire in the fifth century to the beginning of the Renaissance in the fifteenth century.
