Results-based financing (RBF) holds out the promise of tackling spending inefficiencies and making more effective use of education resources. Results-based financing is an umbrella term referring to any program or intervention that provides rewards to individuals or institutions after agreed-upon results are achieved and verified.

Results-Based Financing (RBF) and Results in Education for ...

The lending terms are determined with reference to recipient countries' risk of debt distress, the level of GNI per capita, and creditworthiness for the International Bank for Reconstruction and Development (IBRD) borrowing. Recipients with a high risk of debt distress receive 100 percent of their financial assistance in the form of grants and those with a medium risk of debt distress receive ...

Boulder's Climate Commitment. For our community, climate action is about resilience and transformation: we need to adapt to the climate changes that are already in motion, as well as reduce the emissions-heavy activities that drive future climate change.

Boulder's Climate Commitment

The Challenges. So what currently prevents us from ensuring continuous access to quality learning to children and youth in times of emergency? Lack of prioritisation: Despite being prioritized by children, youth and their families, education in emergencies is neglected in relief operations. Poor coordination: In many cases, there is a lack of coordination, planning and financing models between ...
