From Plato To Platonism

Platonism, rendered as a proper noun, is the philosophy of Plato or the name of other philosophical systems considered closely derived from it. In narrower usage, platonism, rendered as a common noun, refers to the philosophy that affirms the existence of abstract objects, which are asserted to "exist" in a "third realm" distinct both from the sensible external world and from the internal ...

Platonism in Islamic philosophy. Plato seems to have been more an icon and an inspiration than an authentic source for Islamic philosophers. So far as is known, the only works available to them in Arabic translation were the Laws, the Sophist, the Timaeus and the Republic. His name was often invoked as a sage and an exemplar of that wisdom available to humankind among the Greeks before the ...

Other articles where Christian Platonism is discussed: Saint Gregory of Nyssa: As a Christian Platonist, Gregory followed the great Alexandrian theologian Origen, though not slavishly; most notably, he shared Origen's conviction that man's material nature is a result of the fall and also Origen's hope for ultimate universal salvation. In imitation of Plato's Phaedo, Gregory presented ...

The reason why the souls exhibit this exceeding eagerness to behold the plain of truth is that pasturage is found there, which is suited to the highest part of the soul; and the wing : fall, re-embodiment on which the soul soars is nourished with this. And there is a law of Destiny, that the soul which attains any vision of truth in company with a god is preserved from harm until the next ...

Medieval Philosophy. Having devoted extensive attention to the development of philosophy among the ancient Greeks, we'll now cover more than a millenium of Western thought more briefly. The very name "medieval" (literally, "the in-between time") philosophy suggests the tendency of modern thinkers to skip rather directly from Aristotle to the Renaissance.
