### **Grays Anatomy Episode Guide**

Grey's Anatomy is an American medical drama television series that premiered on March 27, 2005, on the American Broadcasting Company (ABC) as a mid-season replacement. The fictional series focuses on the lives of surgical interns, residents, and attending physicians, as they develop into seasoned doctors while trying to maintain personal lives and relationships.

wait The verb wait is intransitive, although there is an established idiom ``wait your turn." There's a perfectly serviceable transitive verb await, but with some exceptions (like ``await further developments"), it seems to be regarded as stiff or formal. Thus, what would be the direct object of await is normally drafted into a prepositional phrase, to function as an adverbial modifying wait.

Lost Bagnigge. With a map of central London fixed over a dartboard, if you were to launch a handful of darts at the board, for as long as you were hitting the board you'd be hitting a spot with multifarious history; every geographic puncture marking a location where the social strata is as varied and transformed as the landscape itself.

It has been a while since I published a long article, and I have been working for many hours on this follow-up to the August article, Why I Am No Longer a Lightworker. That piece generated a lot of positive responses, as well as tremendous resistance and scorn from those within the New (c)Age movement who are heavily invested in the illusions of the false light.
