### Sarang Cookery | Nyonya Food Restaurant | Kuala Lumpur ...

Cooking or cookery is the art, technology, science and craft of preparing food for consumption. Cooking techniques and ingredients vary widely across the world, from grilling food over an open fire to using electric stoves, to baking in various types of ovens, reflecting unique environmental, economic, and cultural traditions and trends. The ways or types of cooking also depend on the skill and ...

Chef's salad Food historians can't quite agree on the history and composition of chef's salad much less who assembled the first one. Some trace this salad's roots to Salmagundi, a popular meat and salad dish originating in 17th century England and popular in colonial America. Others contend chef's salad is a product of early twentieth century, originating in either New York or California.
