Dreadlocks.com : making, growing, maintaining, and ...

Quite possibly the most important thing about dreadlocks is keeping them clean. But continuing to use the same shampoo one used before dreading is usually not adequate; many shampoos have conditioners, fragrances, and other chemicals that leave a residue in your hair.

Naturally Knotted, Washing Dreads

Hey! I've been considering dreading my hair for about a year now, my hair is naturally ashy brown so i wanted to bleach my hair blonde before i went through with the dreading. i'm nearing the point of my hair being light enough and now but i cant find an answer to the only thing that's really worrying me about it, after my hair is dreaded is there a non-residue purple shampoo i'll be ...

Bleaching or dying dreads - Dreadlocks.org

Never has a hairstyle been so misunderstood and generated so many rumors. Who would have guessed that people would be so willing to put random household foods and products in their hair. You can infact, with a great deal of work and suffering, start dreadlocks in some hair types with honey and tree sap but like Chris Rock says, "You can drive a car with your feet but don't make it a good f ...

Dreadlocks.com : making, growing, maintaining, and ...

Secure your dreads in a high ponytail using an elastic headband. Because dread ponytails are usually very thick, using a headband that looks like a ponytail elastic, available in most drugstores and chain retail stores, allows you to gather them all into a single bunch.

How to Put Dreads in a Bun | Livestrong.com

Real dreadlocks require total commitment and months of shaping and treating hair to get the desired texture. All that work also means a hairstyle that stays for the long haul.

How to Do Temporary Dreads | Our Everyday Life

How to Put Extensions in Your Dreads. Many people love the look of dreadlocks but fear that their hair is too short to wear them. Fortunately, you can easily add extensions to your dreadlocks to make them as long as you'd like. First,...
