0979017335 - Indie Girl: from Starting a Band to Launching ...

This is a list of indie pop artists who have either been important to the area of music or have had a considerable amount of exposure (such as in the case of one that has been on a major label). This list does not include little-known local bands. Bands are listed by the first letter in their name (not including the words "a", "an", or "the"), and individuals are listed by last name.
