For guidance using this database, see Guide to the Pace Database on the CISG and International Commercial Law.

Electronic Library on International Commercial Law and the ...

International arbitration is arbitration between companies or individuals in different states, usually by including a provision for future disputes in a contract.. The predominant system of rules is the UNCITRAL Arbitration Rules, as well as the United Nations Convention on the Recognition and Enforcement of Foreign Arbitral Awards of 1958 (the "New York Convention").

International arbitration - Wikipedia

International law, also known as public international law or law of nations, is the set of rules, norms, and standards generally regarded and accepted in relations between nations. It establishes normative guidelines and a common conceptual framework for states to follow across a broad range of domains, including war, diplomacy, human rights, and commerce.

While mediation is a concept widely used in U.S., it has yet to truly benefit the legal community in Italy as a viable means to settle disputes. In Italy, mediation is a concept that is often mistakenly confused with conciliation; although the two methods have similar aspects, they are fundamentally different. To appreciate the differences between arbitration, mediation and conciliation, it is ...
