During the Revolutionary War, Benjamin Franklin and Paul Revere were among the people who created stunning pieces of art that inspired the fight for America's independence.

Pro-independence propaganda from the American Revolution ...

Across the Pond. American patriots weren't the only ones using propaganda during the revolution -- British newspapers used the same techniques as those in the colonies. A 1774 print from Great Britain depicts a British official being tarred and feathered by smiling revolutionaries who appear almost gleeful.

What Is an Example of Propaganda in the American ...

Propaganda in the American Revolution. Americans condemned the successful British surprise attacks at Paoli, Pennsylvania, Tappan, New Jersey, and Wyoming, Pennsylvania, as "massacres.". Contemporaries so besmirched the reputations of David Fanning, Banastre Tarleton, Joseph Brant, and Walter Butler that historians have been grappling to separate truth from fiction ever since.

Propaganda in the American Revolution | Encyclopedia.com

Benjamin Franklin, Propagandist. The cartoon depicts a rattlesnake symbolizing the unity of the colonies. It serves as one of the first and earliest examples of American Revolution propaganda: words and images designed to convince and rally for a social or political cause. The picture was produced as a woodcut and published along with Franklin's essay in the Philadelphia Gazette.
