I'm re-reading The Rhythm of Life: Living Every Day with Passion and Purpose, by Matthew Kelly.. I first read this New York Times bestseller three years ago. It's a book I want to read at least once a year because its message really resonates with my desire to be the best version of myself that I can be.

The c-word, 'cunt', is perhaps the most offensive word in the English language, and consequently it has never been researched in depth. Hugh Rawson's Dictionary Of Invective contains the most detailed study of what he calls "The most heavily tabooed of all English words" (1989), though his article is only five pages long. Cunt: A Cultural History Of The C-Word is therefore intended as the ...

Foo Fighters. When Foo Fighters released a debut album written and recorded entirely by leader Dave Grohl — at that point known only as the powerhouse drummer for Nirvana — in the summer of 1995, few would have guessed that the group would wind up as the one band to survive the '90s alt-rock explosion unscathed.
