

Spanish Last Names Starting With P

Spanish Last Names Starting With

Like many cultures, last names of Spanish origin are derived from family names, place names, descriptive names or names of occupations. Spanish names, however, don't always follow a linear path. A person, for example may have two last names, one from their mother and one from their father.

Spanish Last Names - FamilyEducation

The origins of last names are from the middle ages and from people's occupations. Last names as we know them are originally names that refer the individual's appearance, disposition, where they used to live and commonly their father's first name. Nowadays, last names are considered a name of reference about that specific individual's entire existence.
