Stung Kindle Edition

Format: Kindle Edition Verified Purchase Stung is a book that I had a hard time deciding if I loved it or was just meh about it. It pretty much has hovered between 3 and 4 stars for me since I finished it, and I finally decided to go to the lower end because I do have some issues that are still staying with me.

Rock music plays in the background of "Stung!" But the novel itself is in part a love story, in part a coming-of-age tale, but like those written by his one-time employer, Stephen King, it's largely a book of horror. "Stung!" is an enjoyable read. Mighty John Marshall has a vivid imagination and that's reflected in this promising debut.
