### **The Idea Of History 1946**

The history of the Philippines from 1898 to 1946 began with the outbreak of the Spanish–American War in April 1898, when the Philippines was still part of the Spanish East Indies, and concluded when the United States formally recognised the independence of the Republic of the Philippines on July 4, 1946.. With the signing of the Treaty of Paris on December 10, 1898, Spain ceded the ...

The Story: Probably no means of communication has revolutionized the daily lives of ordinary people more than the telephone. Simply described, it is a system which converts sound, specifically the human voice, to electrical impulses of various frequencies and then back to a tone that sounds like the original voice.
