During the French and Indian War (1754-1763), Americans continued the great tradition of trading with the enemy, and even more readily than before. As in King George's War, Newport took the lead; other vital centers were New York and Philadelphia. The individualistic Rhode Islanders angrily turned Governor Stephen Hopkins out of office for embroiling Rhode Island in a "foreign" war ...

Trading With the Enemy. In doing so, he came face to face with the dangerous consequences of a surprising fact of the Civil War: the semi-illicit trade in cotton between North and South. Northern merchants paid well, and often in gold, for the Southern crop; the Confederates then used that gold to buy new weapons,...

Trading With The Enemy. The smuggling of illicit cargo and people has played a significant role in shaping the culture as well as the economy of the Southernmost American city of Key West since it's foundation in 1821.

### **Trading With The Enemy — Duke Riley**

Charles Higham's Trading With the Enemy is a fascinating and provocative work that concerns itself with the extent to which international corporations may have compromised American decision making prior to and during the second world war. Typically, books of this nature focus on one particular company or upon particular sectors of business.
