The Lycian Way is a long-distance footpath in Turkey around part of the coast of ancient Lycia. It is approximately 540 km long and stretches from Ölüdeniz, near Fethiye, to Geyikbayırı, about 20 kilometers from Antalya. It is waymarked with red and white stripes, the Grande Randonnee convention.. It takes its name from the ancient civilisation, which once ruled the area.

In a recent study conducted over 1000 people in the US it turns out that when it comes to tattoos, women outnumber men. A total of 59% of women were found to have at least one tattoo versus only 41% with the men. With that in mind we're going to take a look at one of the more popular tattoos among women - the butterfly tattoo.. Now we're not saying that getting a butterfly tattooed
