3.75-4 Stars!! "Trapped" is the second installment in Shay Savage's new series named "Caged" and also my second novel by this author. This installment picks up right where the first installment ends. While the first installment was more on the lighter side, this installment was a little bit more "darker", more intense and for me more interesting as well.

Not at all what I expected - on Kindle but no cover so the story was a complete surprise. Very well done except I have one little quibble - the girl is a bit too vacillating, loving/hating/running away from/to ... it's a bit tiring.
