Wrongful conviction is burdensome and harmful in two ways. It puts a burden on the innocent person who is accused and does injustice to the victim and the society in as a whole because the real perpetrator of the crime remains free and ready to commit another heinous crime. So before wrongful convictions happen to you. It pays a lot to know the ...

Understanding Wrongful Conviction - ezinearticles.com

Concern about cases of wrongful conviction has arisen across different jurisdictions in recent decades. Some wrongly convicted individuals have spent many years in prison before their convictions are quashed, but little is known about the psychological effects of such miscarriages of justice on them. A preliminary descriptive clinical study examined eighteen men referred for psychiatric ...
