The latest batch of the Podesta emails shared by Wikileaks add a darker dimension (if it was even possible) to the sordid culture of corruption, lies and depravity that surrounds Hillary Clinton, explaining why the FBI has been calling her for quite some time now, the "Antichrist personified". It is a possibility that Hellary's clique attends and organizes Satanic rituals, involving mock ...

In a large bowl, blend together the flour baking powder, and salt.. With a pastry cutter (unless you are one of those, like my teachers, who always used their hands) cut in the lard or shortening. Add the milk all at once, and mix the dough quickly with a fork or by hand until the dough forms a mass.

There was something poetic about icy waters in the sea. The ocean is a cold mistress who stops for no one. Hers is a harsh love, a ride that you either survived or didn't and whichever way it went left you feeling miserable and freezing and sometimes snuck up on you because you're trying to rescue a drunk idiot who thought 'walking on thin ice' was only a metaphorical saying and only ...

It's cliché to complain about how a movie or television show is ruining the source material by departing from the books. There's nothing new about bitching that HBO is sabotaging A Song of Ice and Fire, the literary source for its program Game of Thrones, but what's not being pointed out is why they are doing it.. The answer is feminism.
